

Health and Safety Policy Statement

The Company recognises that complying with the Health and Safety at work etc. Act 1974 (and regulations made under it) is a legal matter, not a matter of choice.

The Company's policy is to exceed the minimum requirements of the law where possible and to do this we will provide sufficient resources to meet this commitment. We will also ensure that systems are in place which will allow us to maintain, monitor and, where necessary, improve safety performance.

It is the responsibility of all parties in the Company to take care of their own safety and that of others, whether from within the Company or from outside, who may be affected by their actions.

The policy and the way it has operated will be reviewed at least annually and more often if the business changes nature or size. Any revisions necessary to improve safety performance will be made.
